## A WORD FROM THE CHAIR, ORGANIZING COMMITTEE 2014 SHRINE BOWL

**Mike Keys**

This is our 28th year hosting the Fall Bowl Classic. We are looking forward to a great game between **the McGill Redmen** and **the Concordia Stingers**. We would like to thank both teams for the co-operation that they provided us, you both make this event the success that it is. Remember that all of the proceeds made go 100% to the Shriners Hospital for Children, making the kids the winners.

We would especially like to thank **Anthony Calvillo** for being this year's Honorary Chairman.

Our expectations are only possible through your generous donations.

**Thank you** for your continued patronage of Canada's only Shrine Bowl football game.

Voici notre 28<sup>e</sup> édition de la classique de football, le «Shrine Bowl» de Montréal, opposant 2 excellentes équipes universitaires, **les Redmen de McGill** contre **les Stingers de Concordia**. Nous aimerions à cet effet remercier les deux équipes pour leur coopération, assurant la continuité ainsi que le succès de cet événement.

Nous désirons remercier spécialement **Anthony Calvillo** pour avoir accepté d'être notre Président d'honneur cette année.

Rappelez-vous que la totalité des recettes recueillies lors de cette partie est remise à l'Hôpital Shriners pour Enfants (Canada) à Montréal. Notre rêve et notre mission de guérir tous les enfants malades, n'est possible que grâce à vos dons généreux. Les vrais gagnants sont les enfants.

**Merci** pour votre soutien continu à ce seul et unique match de football «Shrine Bowl» au Canada.

*Mike B. Keys*

## Honorary Chairman / Président Honoraire

# *Anthony Calvillo*

**Anthony Calvillo** (born August 23, 1972) is a former Canadian Football League quarterback. He is professional football's all-time passing yards leader, and first in all-time CFL passing yards. In his career, he passed for 79,816 yards and is one of five professional quarterbacks to have completed over 400 touchdown passes (the others being Brett Favre, Warren Moon, Peyton Manning and Dan Marino).

Calvillo won three Grey Cup championships in 2002, 2009, and 2010, and named Grey Cup Most Valuable Player in 2002. He also won the CFL's Most Outstanding Player Award three times, in 2003, 2008, and 2009, which ties him for second all-time behind Doug Flutie. Calvillo announced his retirement on January 21, 2014.

**Anthony Calvillo**, né le 23 août 1972 à Los Angeles, en Californie, est un joueur de football canadien des Alouettes de Montréal.

Le 10 octobre 2011 contre les Argonauts de Toronto il devient le meneur de tous les temps du football professionnel en battant la marque des 72 381 verges par la passe détenu par Damon Allen.

Il est, en 2006, l'un des meilleurs passeurs de la Ligue.

En 2002, 2009 et 2010 il remporte la Coupe Grey.

Le 21 janvier 2014, il prend sa retraite.

Le 13 octobre 2014, son chandail est retiré.

Et devient peut être le meilleur joueur de la ligue canadienne

## Shrine Bowl King & Queen Roi et Reine du Shrine Bowl

### Jeffrey Beausoleil (15 years old)

15 year-old Jeffrey was born with a congenital malformation of both the right hand and foot. His limbs did not properly form and today he uses prosthetics. Jeffrey is energetic, full of life and is an all-around positive person. These traits were inspired by his parents who taught him that his physical differences were not limitations.

Jeffrey was first seen at Shriners Hospitals for Children- Canada when he was five months old and subsequently underwent his first surgery at the age of 16 months to correct webbed fingers of his left hand. He continues to be followed at the hospital and each growth spurt is equipped with new prosthetics.

He loves playing football, basketball, handball, volleyball and soccer. This spring he participated in the Pierre Lavoie Challenge with his running club. Those who know Jeffrey now know that there is nothing he can't do! He is in grade 10 and is enrolled in an intensive music program, mastering all brass instruments. He dreams to become a DJ and music producer one day

### Jeffrey Beausoleil (15 ans)

Jeffrey est né avec des malformations congénitales à la main et au pied droit; ses membres ne se sont pas formés. Il porte aujourd'hui des prothèses. Jeffrey est animé de joie de vivre, déborde d'énergie et de positivisme, des traits de caractère qui lui ont été inspirés par ses parents qui ne l'ont jamais laissé sentir que ses différences physiques étaient des limites.

Jeffrey est traité à l'Hôpital Shriners pour enfants-Canada depuis qu'il a 5 mois et a subi une première chirurgie à l'âge de seize mois pour corriger les doigts palmés de sa main gauche. Il continue à être suivi et, à chaque poussée de croissance, il a été équipé de nouvelles prothèses pour ses membres inférieurs.

Il adore jouer au football, basketball, handball, volleyball et au soccer. Ce printemps il a participé au défi Pierre Lavoie avec son club de course. Ceux qui côtoient Jeffrey aujourd'hui savent qu'il n'y a rien à son épreuve! Étudiant au quatrième secondaire, option musique, il joue tous les cuivres. Son rêve: devenir DJ et ensuite producteur de musique.

### Auréli Grandchamp (12 years old)

This year, 12 year-old Aurélie Grandchamp had major surgery to correct a deficiency in the bone of her left leg (leg length discrepancy). Currently at the end of her eight month recovery, the bone of her leg needs to grow 50 millimeters, which can be long and sometimes painful. "The fantastic team of specialists at the Shriners Hospitals for Children- Canada does miracle work!" she says. Aurélie is an active girl, is into sports and stands out in soccer competitions, cross country skiing and running. Last year, she won top honors at the regional cross country skiing competition and has been chosen most valuable player by her soccer team, two years in a row.

She is so touched by the wonderful care that she received at the hospital; she was determined to give back. With the help of her family and especially her grandmother, they organized a fundraiser and collected over 11 000 \$!

Auréli wants to get back to competitive sports in the short term. Inspired by her experience at the hospital, she hopes to work there someday!

### Auréli Grandchamp (12 ans)

Auréli Grandchamp a 12 ans et a subi cette année une intervention majeure afin de corriger une déficience osseuse à sa jambe gauche (inégalité de longueur des jambes). Sa période de convalescence qui s'étend sur 8 mois a pour objectif l'allongement de sa jambe de 50 millimètres. C'est long et douloureux. « L'équipe fantastique de spécialistes de l'Hôpital Shriners pour enfants – Canada fait des miracles » dit-elle. Auréli qui est une fille active se démarque dans les compétitions de soccer, de ski de fonds et de course à pieds. Elle a d'ailleurs remporté les compétitions régionales en crosscountry l'an dernier et s'est vue décerner, deux années de suite, le titre de joueuse la plus utile à son équipe de soccer.

Elle réalise qu'elle reçoit les meilleurs soins et souhaite donner au suivant à nouveau. Cette année, avec le soutien de sa grand-mère et de sa famille, ils ont organisé une collecte de fonds et ont amassé un peu plus de 11 000 \$! Auréli est une enfant très déterminée.

Auréli aspire revenir à ses compétitions sportives le plus rapidement possibles. Son expérience auprès de l'Hôpital Shriners pour enfants – Canada l'inspire à vouloir travailler un jour!

## BUILDING FOR THE FUTURE BÂTIR POUR L'AVENIR

Located in Montreal since 1925, Shriners Hospitals for Children- Canada is a bilingual, short term, acute care centre providing pediatric orthopaedic ultra-specialized care for complex disorders such as osteogenesis imperfecta (brittle bone disease), severe spinal and limb anomalies, reconstructive surgery and rehabilitation. Children from across Canada, the U.S. and around the world have benefited from the hospital's ground-breaking research and innovative treatments, both in Montreal and in their own communities.

### Building for the future

The new 207,000 square foot hospital will feature more than double current space available for patient care, research and teaching. The official opening is planned for the Fall of 2015.

From the Pacific to the Atlantic...each floor will feature the colours and attractions of a different region of Canada. These concepts have been cleverly integrated into the design of the various services, treatment and waiting areas. The building's interior design is also bright and airy, with a generous amount of large windows and several skylights inviting natural light deep into the heart of the structure. Altogether, this creates a unique healing and caring environment. Our patients and families will benefit from 22 single patient rooms, meeting all the highest standards for infection control. There are several areas dedicated to families. There will also be 4 operating rooms, which is double from our current facility. The new hospital will also include state of the art technology for teaching as well.

**Ambulatory Care and Medical Imaging waiting area.**  
**Aire d'attente pour l'admission et le service d'imagerie médicale.**

Depuis 1925, l'Hôpital Shriners pour enfants - Canada, situé à Montréal, offre des services de courte durée dans un environnement bilingue, des soins orthopédiques pédiatriques ultra spécialisés pour des troubles complexes, tel que l'ostéogenèse imparfaite À (maladie des os de verre) et les malformations graves des membres et de la colonne vertébrale, en plus d'offrir des chirurgies reconstructives et de la réadaptation. Des enfants du Canada, des États-Unis et de partout dans le monde ont profité des recherches de pointe et des traitements novateurs de l'hôpital, à Montréal et dans leurs propres collectivités.

### Bâtir pour l'avenir

Le nouvel hôpital de 207 000 pieds carrés comptera deux fois plus d'espace que les installations actuelles pour les soins aux patients, la recherche ainsi que l'enseignement. L'ouverture officielle est prévue pour l'automne 2015.

Du Pacifique à l'Atlantique...chaque étage sera représentative des différentes régions du Canada par leurs couleurs et thématiques. Ce concept a été brillamment intégré dans le design des différents services, traitements et salles d'attente. Le design lumineux et aéré de l'intérieur de l'édifice comprend de larges fenêtres et de nombreux puits de lumière afin de laisser pénétrer la lumière naturelle profondément dans la structure. L'ensemble crée un environnement de soins et de rétablissement des plus uniques. Nos patients et leurs familles bénéficieront de 22 chambres privées qui rencontrent tous les standards de contrôles des infections. De nombreux espaces dédiés aux familles sont également prévus. Il y aura 4 salles de chirurgie, soit le double des installations actuelles. Le nouvel hôpital sera aussi doté de technologies de pointe pour l'enseignement et d'espaces améliorés pour les soins cliniques et la recherche.

Devenir un Shriner peut s'avérer être une expérience qui peut changer une vie. Que ce soit pour nouer de nouvelles amitiés, expérimenter le bonheur de donner ou participer aux activités de la communauté pour une première fois, devenir un Shriner peut faire d'un homme bon un homme encore meilleur.

Découvrez ce qu'est vraiment que d'être un Shriner en écoutant les témoignages de la bouche même des membres.

**You are a brother and a friend. You know you can make a difference. You're a Shriner.**

When you become a Shriner you become part of a brotherhood of men committed to family, engaged in ongoing personal growth, and dedicated to providing care for children in need. While our backgrounds and interests may be diverse, what binds us together are shared values and a desire to have fun, do good, and build bonds that can last a lifetime.

Becoming a Shriner is easier than you think and its rewards can be far more than you expect.
